

Friends of Magnolia Manor Park Steering Committee Meeting  
9th March 2016, 7 - 9 pm at Marilyn Sheldon's house

Present: Larry Bosi, Toni Imfeld, Susan Casey, Marilyn Sheldon, Carol Burton

Motion to accept minutes of 10th February 2016 MSP

Treasurer's report - nothing to report, no changes since last meeting.

Completing the Manor Park plan

Several steering committee members met with Jim Keller to talk about completing the path around the reservoir. We could do a Small & Simple grant to move the fences and open up the rest of the park, making a path could come later. The fence along 26th Ave West would stay. We decide to have a public meeting at the park to inform the community and solicit feedback. We also need to raise money.

Meeting could start at the P-Patch and walk around to the north side.

Date - Saturday 2nd April, time TBD

Coffee from Starbucks, coffee, maybe something for door prizes - to attract a crowd.

Advertise in Magnolia/QA News, Magnolia Voice, Facebook, Nextdoor, email to our list, post on web site. We could probably also post to MCC and Chamber lists, and District Council News.

Challenge Fund letter is due 31st March 2016. Two pages outlining project and funding needs. It's a long shot but it keeps us out there with Parks. Carol and Carla will come up with a letter.
